# CLICK

## Black and Yellow

With the combination of black and yellow colours these tiles provide a very distinguishable ground colour while yielding support for emergency equipment or highlighting a certain area of interest. The structure of the tile allows for passing electrical wires and tubes.

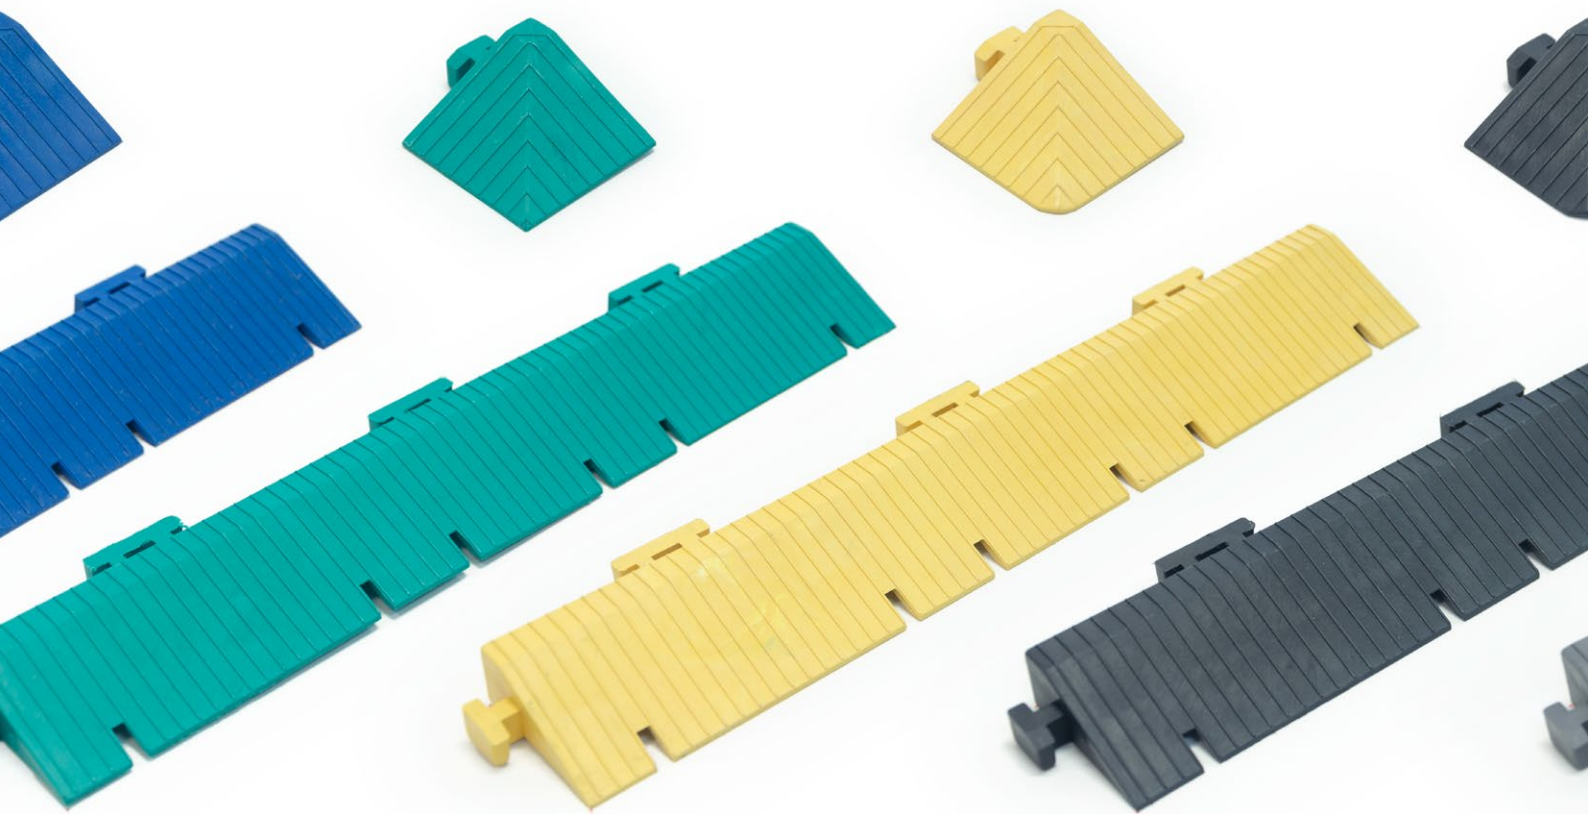

Also available with **EN13501-1 fire retardant material** certification.

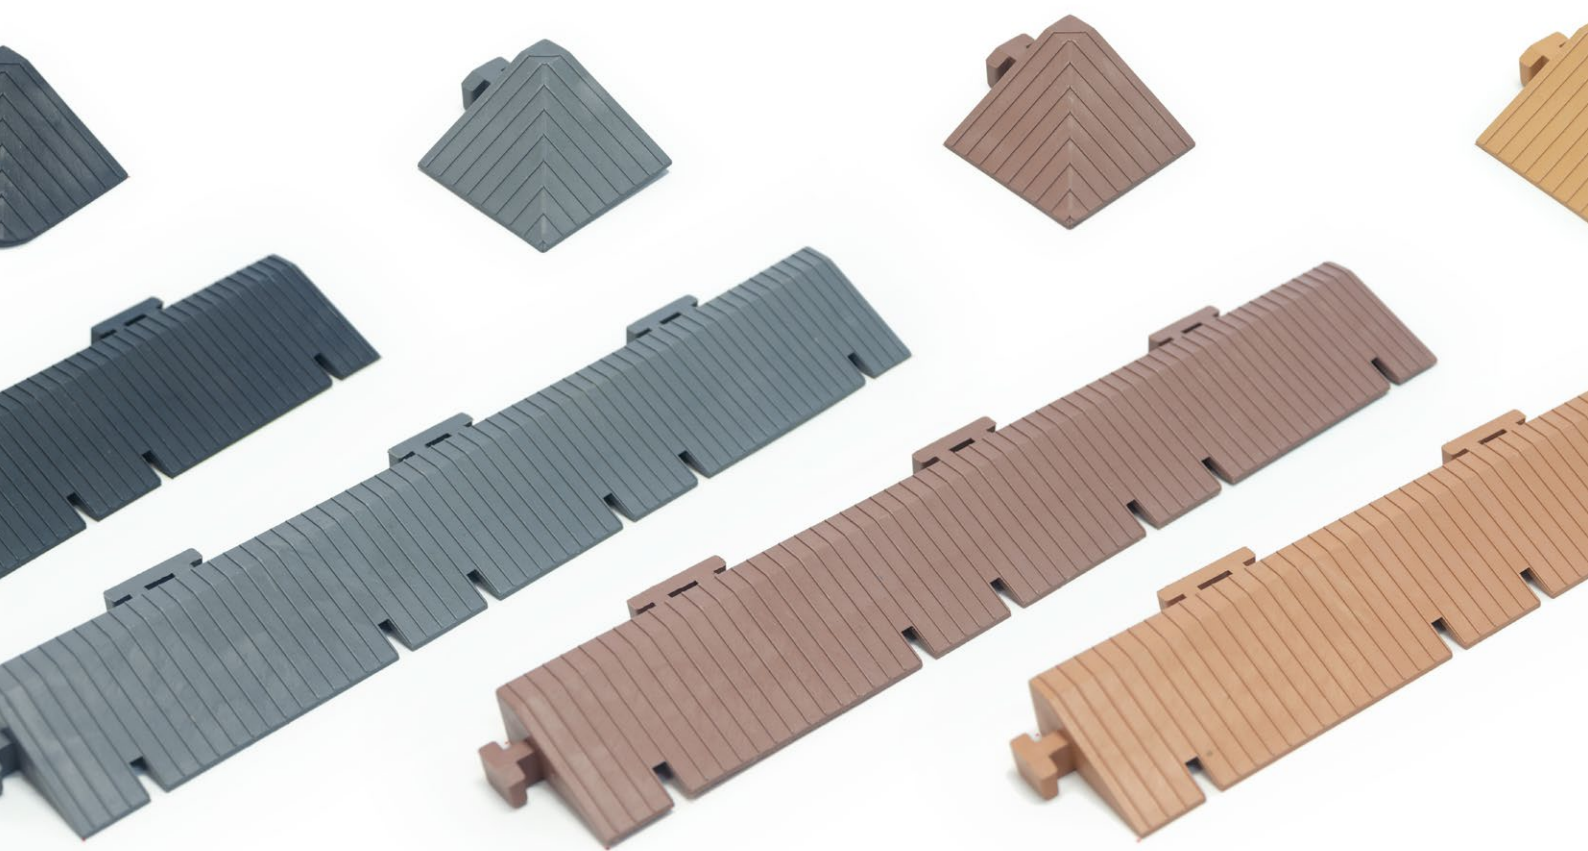

# RAMP

## Deck and Click ramp

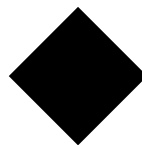

An addition to Deck and Click tiles, ramp provides a drainage as well as smooth on and off experience for up to medium car sized tires.

Each tile has its respective colour ramp.

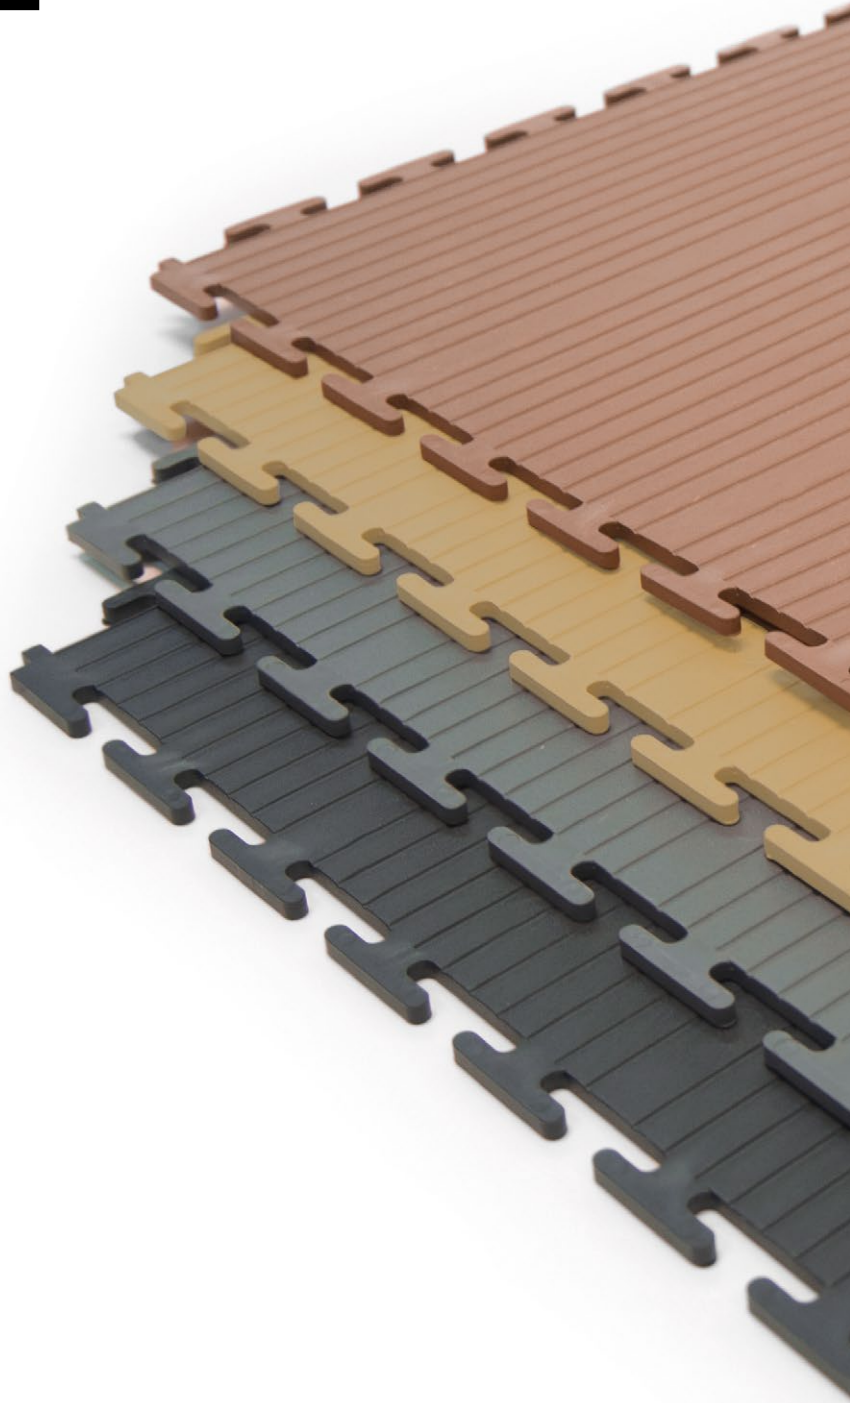

**Single unit**  
**5 x 5 x 2 cm**  
Approx. 0,015g

**Single unit**  
**33 x 5 x 2 cm**  
Approx. 0,150g

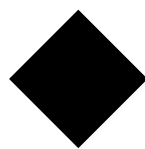

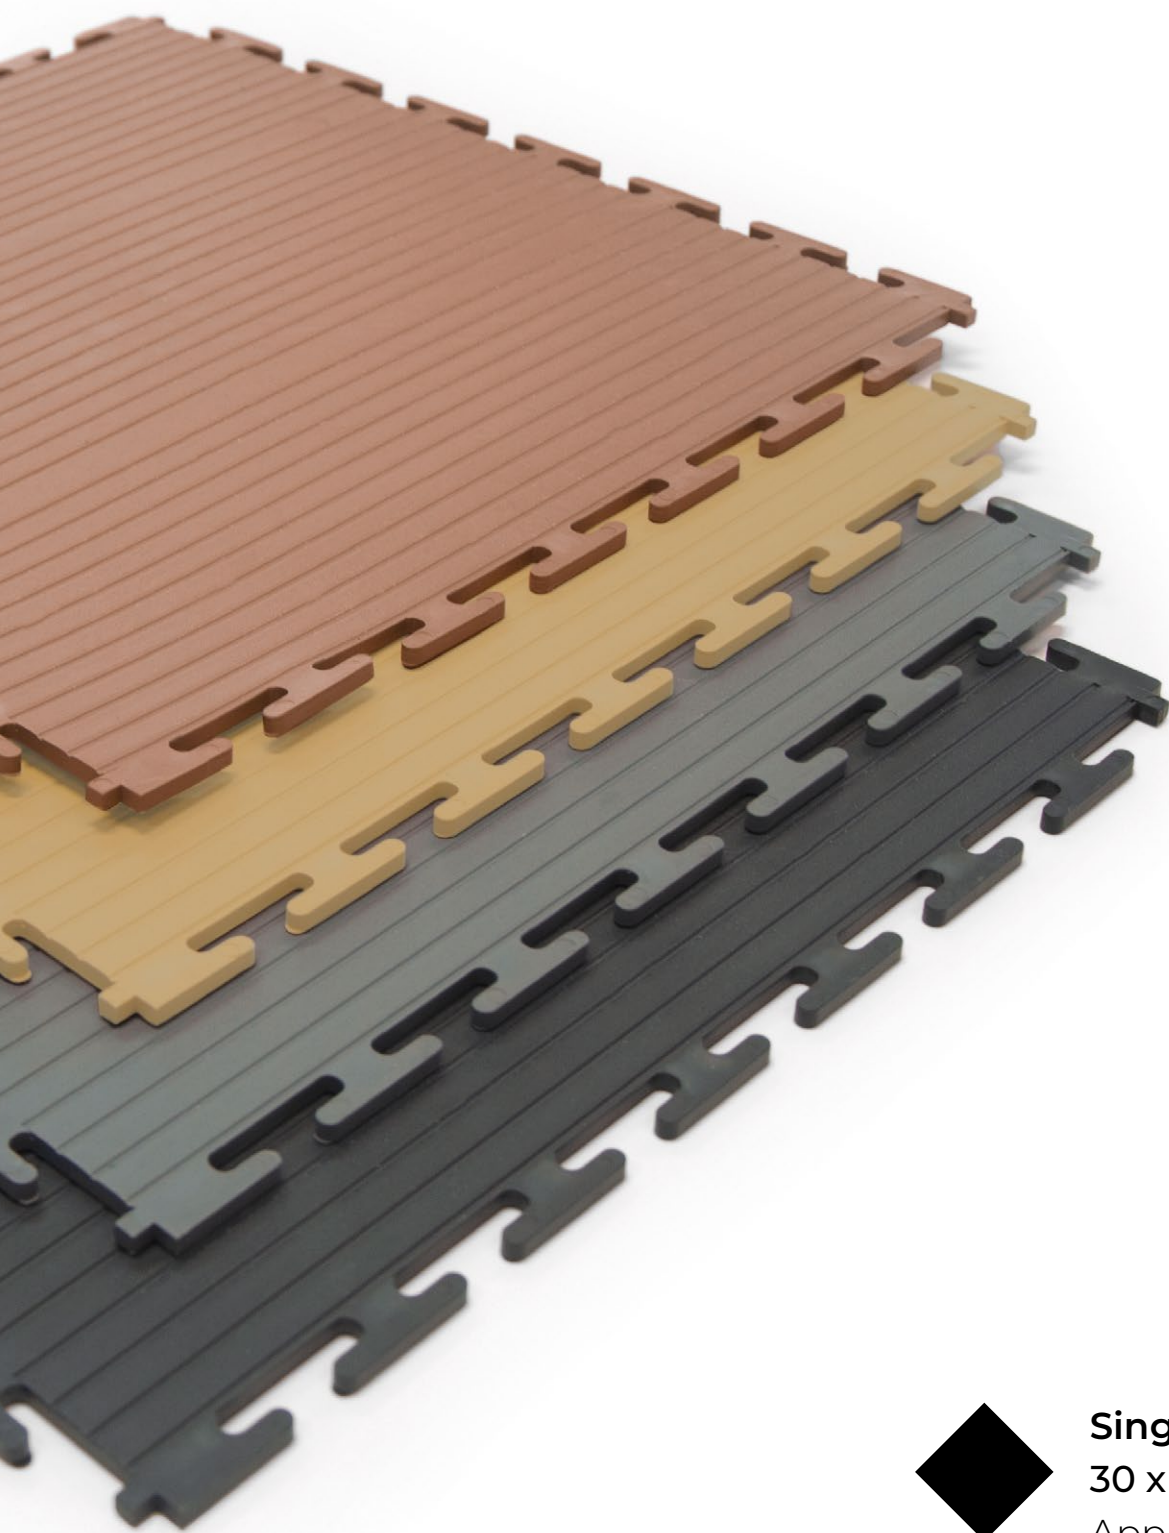

# DECK TILE

Floor covering

Resistant tile that coats the floor with the casual style of an outdoor wooden deck look.

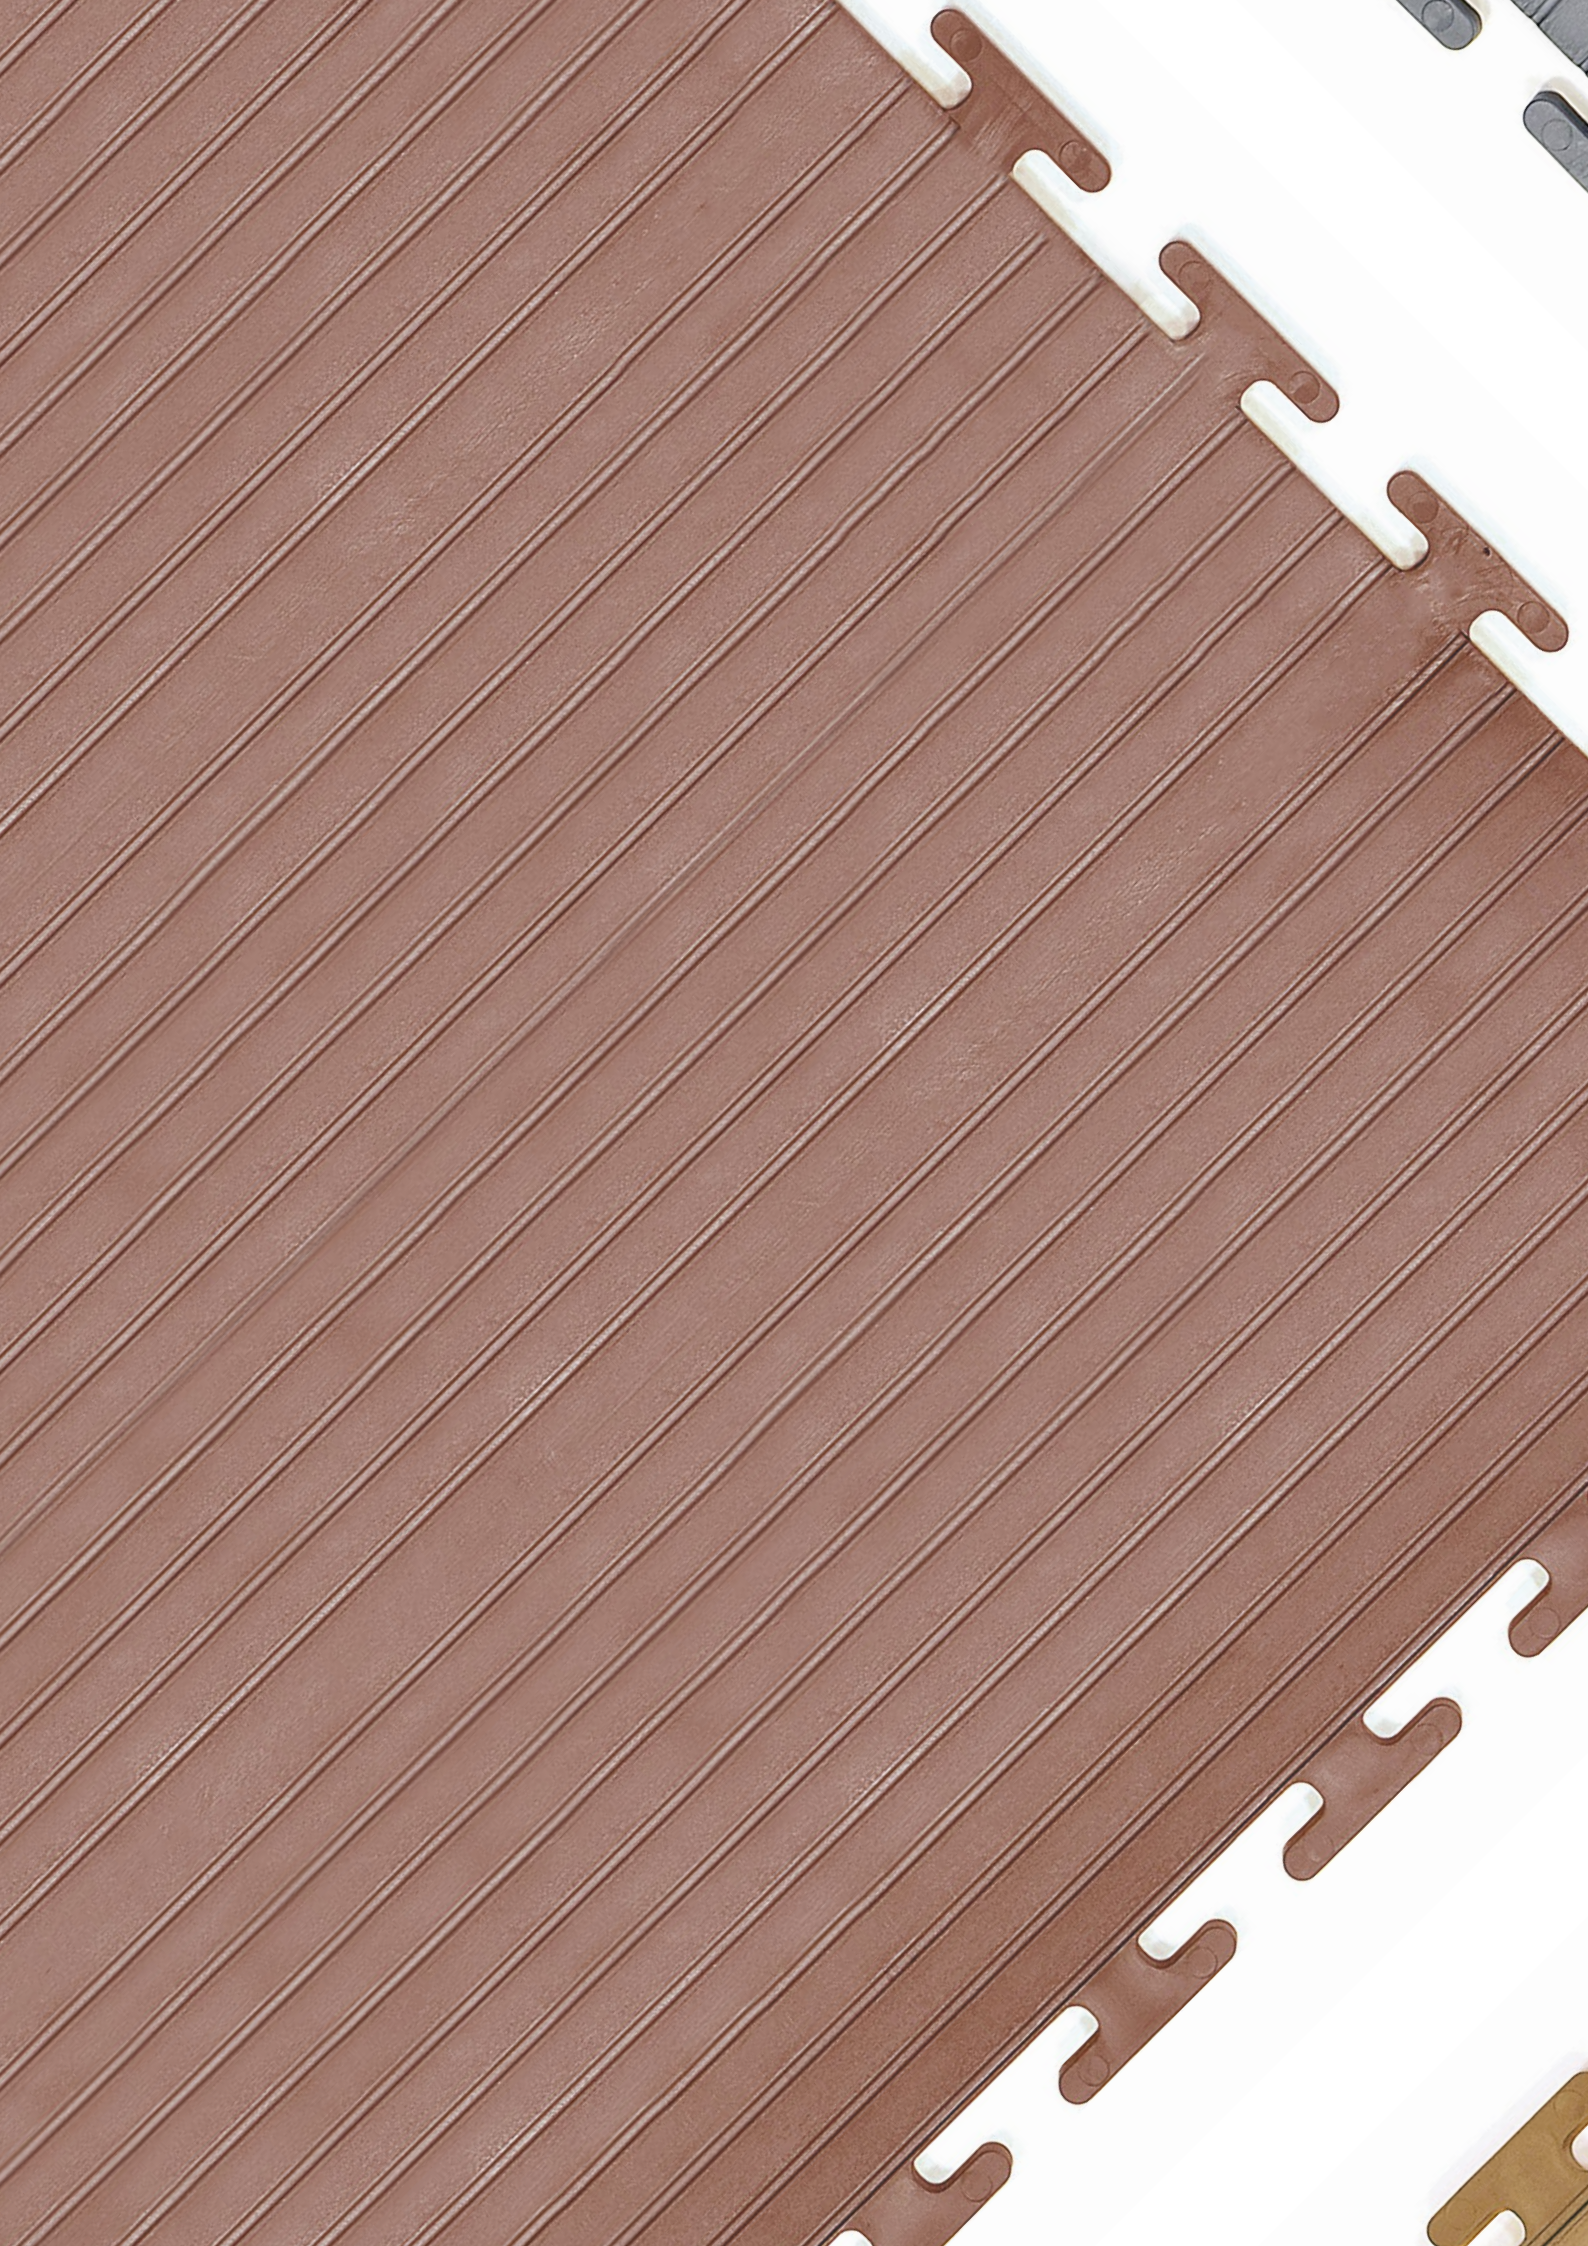

**Single unit**  
30 x 30 x 0,6 cm  
Approx. 0,6 Kg

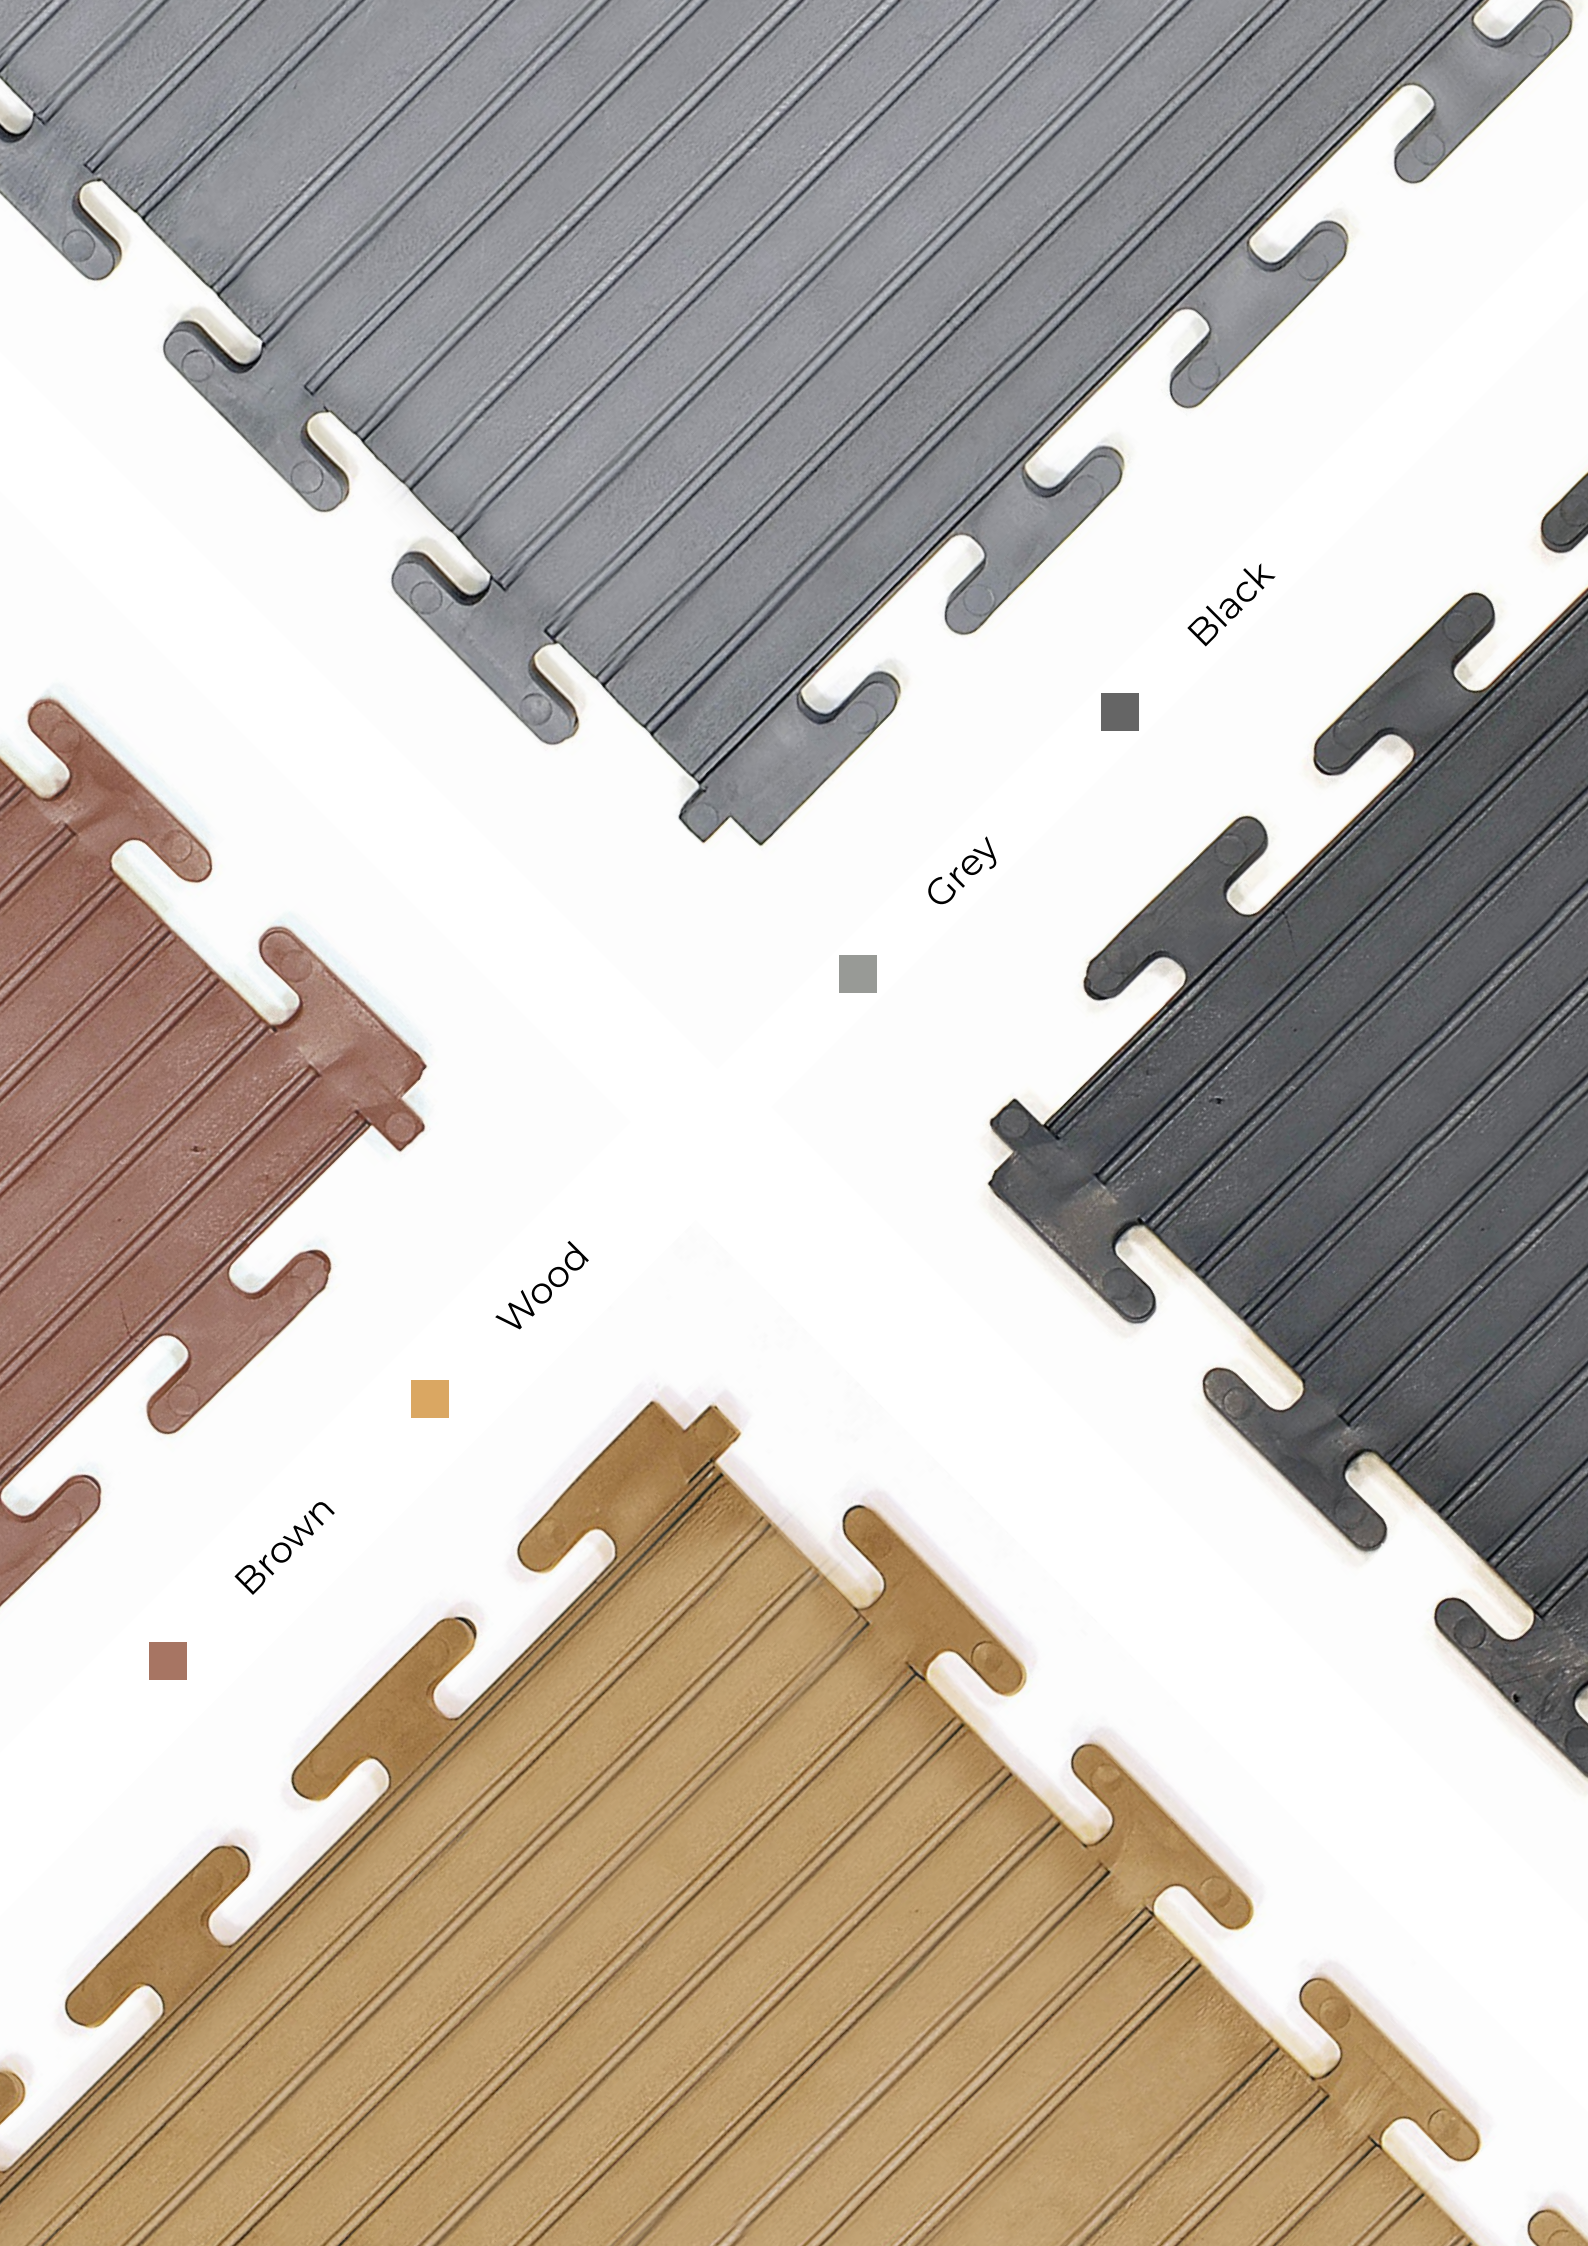

**Set of 10**  
60 x 150 cm  
Approx. 6 Kg
