PERCHÉ SCEGLIERE UNA TOVAGLIA COLOMBO IN PVC?

- Veste la tua tavola con stile: dal design moderno e in linea con le ultime tendenze del living, alle disegni più classiche e tradizionali. Goffrature ed effetti perlato arredano con originalità ogni ambiente in e outdoor.
- E' disponibile in tantissime fantasie e varianti di colore, che consentono di apparecchiare una tavola con gusto e qualità, senza dover rinunciare alla praticità del quotidiano;
- Ha la qualità del made in Italy, certificata Oeko-tex e conforme al Regolamento Reach, che garantisce l'assenza di sostanze nocive e attesta i prodotti come ambientalmente ecocompatibili nei processi produttivi.
- Totalmente prodotta in Italia, nel pieno rispetto dell'ambiente, della salute e sicurezza dei lavoratori, secondo l'ordinamento della legislazione Italiana ed europea. La scelta di non delocalizzare permette all'azienda di "prenderci cura" sia del prodotto, sia della salute del territorio.

... oltre ad avere tutti i vantaggi delle tovaglie in pvc:

- E' un prodotto ecocompatibile, in quanto la sua pulizia non prevede lavaggi frequenti, si pulisce con un semplice panno umido, evitando così l'utilizzo di detersivi e prodotti chimici;
- Non si candeggia e non si stira, con conseguente riduzione dei consumi di acqua e di energia elettrica;
- E' un prodotto riutilizzabile nel tempo e ha un costo contenuto, che risulta notevolmente inferiore a quello sostenuto per acquistare tante tovaglie monouso;
- E' idro ed oleorepellente.
- E' perfetta per un uso quotidiano, può fungere da proteggi tavolo e non deve quindi essere riposta in un cassetto.
- Può essere utilizzata anche all'esterno perché non teme la pioggia e si asciuga velocemente.

WHY CHOSE A COLOMBO VINYL TABLECLOTH?

- *It will always dress your table with style: from the most modern designs, in line with the last living trends, to the more classical and traditional ones. Embossing and mother of pearl effects will decorate any indoor and outdoor environment in an original way.*
- *They are available in a great number of designs and colourways that allow to dress the table with remarkable taste and quality without giving up its everyday practicality.*
- *It has a Made in Italy quality, certified by Oeko-Tex and in compliance with the Reach regulation that grant the absence of harmful substances and certify that the products are eco-friendly in the production processes.*
- *Entirely produced in Italy, complying with environmental, health and safety rules for the workers in force both in Italy and in Europe. The decision of not outsourcing allows the Company to take better care of the product and of the health of the territory.*

...In addition to all of the advantages of a vinyl tablecloth

- *It is an eco-friendly product because it doesn't need frequent cleanings, just wipe it with a wet cloth and you may so limit the use of detergents and chemical products.*
- *You don't need to bleach it or iron it, limiting therefore the consumption of water and electricity.*
- *It's a product you can use over and over, it has a limited cost and often is far less expensive than many single use tablecloths.*
- *It is water and oil repellent.*
- *It's perfect for an everyday use, it protects the table and therefore must not be put away.*
- *It can be used outdoor as it doesn't fear rain and dries quickly.*
